

**FESTING IN PLACE
OCTOBER 16-18, 2020**

There are two ways to Fest In Place with Crescent City Blues & BBQ performances from recent years:

WATCH: On the Jazz & Heritage Foundation's or WWOZ's Facebook/YouTube

LISTEN: On WWOZ at 90.7 FM locally, or at wwoz.org worldwide

PLUS: We have two brand-new lagniappe performances, filmed just for this year, streaming on Friday and Saturday nights.

Check out crescentcitybluesfest.com for 2020 food & crafts vendors offering online & phone ordering options!

Donations received during this event will support the Jazz & Heritage Music Relief Fund, to support the Louisiana music community as we all do our part to bring live music events back.

For the full Lafayette Square Blues & BBQ Fest two-stage experience, make sure to race from one side of the yard to the other when we switch acts – or just pick up your chair and flip it around!
